Dear Ramon Guizar Valencia,

Congratulations on successfully completing the International Federation of Inspection Agencies, Americas Committee (IFIA AC) petroleum inspector certification program. You completed your training record book and passed the EI/IFIA AC examination, the final step in becoming a certified petroleum inspector.

To document this important achievement, we have enclosed a certificate naming you as a Certified Inspector of Petroleum. Your certification raises the standard for professionalism in our industry. Please keep in mind that recertification is required every three years.

Once again on behalf of the IFIA AC, congratulations, and welcome to the ranks of certified petroleum inspectors. Should you have any questions, please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in black ink that reads 'J. Phipps'.
